

7. Herbivore Discussion and Neurons

Marguerite Butler

2025-10-08

Pre-class materials

i Read ahead

Before class, you can prepare by reading the following materials:

1. We will finish discussing Herbivores - Special Digestive Systems [[slide deck](#)] and a very interesting paper [[Claus et al 2003](#)]
2. Friday start Neurons Discussion [[discussion & reading assignment](#)]
3. Please watch the podcasts below for Friday.
4. We will probably continue Neurons next week.

Announcements/Reminders

- HW3 [[pdf](#)] due Friday.
- This week will be our first invertebrate lab on the Lobster Heart. Please wear shoes and bring your dissection kit (if you have one, if not we will provide). [[overview](#)]
- Do discussion TEAMMATES eval, released each Friday, due by Monday.
