

5. Feeding

Marguerite Butler

2025-09-24

Friday's discussion will be on a Sustained metabolic scope paper that has some data and interesting tidbits relevant for your Design 1. Next we will continue talking about feeding (our favorite topic!) and digestion.

Pre-class materials

i Read ahead

Before class, you can prepare by reading the following materials:

1. Friday [[Metabolic Celings](#)]

Announcements/Reminders

- This week during our lab sessions we will have our design 1 critique sessions. Please check which paper you have been assigned to review, and bring your completed review with you to lab. See instructions here [[Design 1 turn in](#)].
- Post your final draft by midnight on Friday 10/3 [[Upload here](#)].
- Do discussion TEAMMATES eval, released each Friday, due by Wednesday.

Week 5 Discussion Groups
